Dear Precinct Committeeperson:

Congratulations on your election (or re-election) as a Democratic precinct committeeperson in Aurora Township. Thank you for your willingness to serve your community and to the Democratic Party.

Precinct committeemen play a critically important role in the political process and are the building blocks of the Democratic Party. As a committeeman, you are the Democratic leader of your neighborhood. You are the main source of communication between your neighbors and their Democratic elected officials and Party leaders and help connect those individuals to each other. You have the opportunity to educate your neighbors about Democratic candidates running for office and to engage them about important issues affecting them. After being trained, you will have the opportunity to register new voters and help build the Party. You can also make recommendations for election judges.

Pursuant to the Bylaws of the Aurora Township Democratic Central Committee (ATDCC), the biennial organizing meeting and election of officers of the Aurora Township Democratic Central Committee is scheduled for Wednesday, April 18, in the Auditorium of the Kane County Government Center, Building A (ground level), 719 S. Batavia Avenue, Geneva, IL 60134, immediately following the Organizing Convention of the Kane County Democratic Central Committee which is scheduled to begin at 7:30 p.m.

The Bylaws of the ATDCC call for this organizational meeting and election to be held immediately after the Kane County Democrats' organizing convention at the same place and location. A courtesy copy of the bylaws is included with this letter for those who were not able to attend the meetings at which the bylaws revisions were discussed and approved.

We are proud to have the opportunity to serve you and our community and the Democratic Party in our elected offices. With the March primary election now behind us, we look forward to working together to getting rid of Bruce Rauner and electing a Democratic governor and other candidates up and down the ticket in November. We have a lot of hard work to do between now and November, so let's come together, move forward, and get back to work.

Sincerely,

Chairman Don Ishmael
